# About College

- Government Polytechnic, Bhagalpur was established as Bhagalpur School of Engineering with the aim of providing quality education in the field of engineering & Technology at par with national standards. It persistently seeks and adopts innovative methods to improve the quality of higher education on a consistent basis.
- It is spread in an area of nearly 50 acres with four lush green campus namely Main Campus, Kanchan Garh Campus, Shree Bhawan Campus and Lakshmi Bhawan Campus, not far from the bank of the River Ganga at Barari. It is situated at a distance of nearly 9 Km East to Bhagalpur Railway Station and 20 Km North to Naugachhia Railway Station. The Latitudes and Longitudes are  $25.2599^{\circ}\text{N}$  and  $87.0274^{\circ}\text{E}$ .

# About College contd...

- The institution was established on 31<sup>st</sup> May 1955 with its name Bhagalpur School of Engineering under the Department of Science of Technology, Govt. of Bihar which was later rechristened to its present name. Initially institution was started with Diploma in Civil Engineering with 30 intake capacity, which was later increased to 60. Diploma in Agricultural Engineering was started in 1977 with 20 intake capacity, which was later increased to 30.
- In 1992, Diploma in Textile Technology & Textile Design was started with 30 intake capacity and the branch was renamed as Diploma in Textile Engineering in the year of 2008. Two latest and employment generating branches, Diploma in Electronics Engineering and Diploma in Computer Science & Engineering were commenced with intake capacity of 60 each.

# Message from Principal Desk

It is a matter of great pride and honor that Government Polytechnic, Bhagalpur has come this far and has become one of the apex institution in Bihar to impart technical education. It was established as Bhagalpur School of Engineering on 31st May, 1955 with aim to impart high quality technical education approved by all India Council of Technical Education under Department of Science and Technology, Government of Bihar.

The main objective of our Institution is to advocate for the provision of better policies for sustainable development. The Courses being offered at present are in the fields of Diploma in Civil, Computer Science, Electronics, Agricultural and Textile Engineering. I would like to remind the words of Rabindra Nath Tagore, who said “The great task of education is not merely to collect facts but to know man and to make oneself known to man”.

# Message from Principal Desk contd..

Mahatma Gandhi strongly believed that “Education means drawing our best of body , mind and spirit in an individual”. What gives me pain is that Bihar which is culturally so rich is economically poor. Here is an urgent need to drive away this poverty and inequality among our fellow citizens. Education, thus becomes the way to remove poverty and promote progress with equality. Swami Vivek Anand has truly said, “ Give me a hundred youth of Character. I will change the face of the country”, My intention is to build an efficient team of teaching faculty and students to make this college a leading institute of advanced studies on Engineering and Entrepreneurship. I look forward to the establishment of constructive synchronization in work among all constituents of G.P. Bhagalpur and exploring new opportunities in the area of technical education.

# Message from TPO's Desk

It gives me immense pleasure to know that our institute Govt. polytechnic, Bhagalpur under Department of Science & Technology Govt. of Bihar is bringing out the placement brochure for the Diploma students completing their course studies. It is matter of pride to know that teachers and students of Govt. Polytechnic, Bhagalpur strived hard to established healthy traditions of dedicated work and perfect training towards achieving high standards.

Over the years, since its inception the institute has grown with excellent infrastructure for teaching of programs in different Diploma Engineering disciplines.

In addition to achieving high goals of imparting quality education, we also emphasize on the training and all around development of or students. It is heartening to learn that students of the institute have regularly participated in activities aimed at increasing their leadership qualities, organizational qualities Communication skill, etc.

**Dr. Arun Kumar**  
**TPO, G. P. Bhagalpur**

**Er. Kumar Anand**  
**Asst. TPO, G.P.Bhagalpur**

## Message from TPO's Desk contd..

The present placement brochure should serve the prospective employers as a source of information about the training and capabilities of our students in a clear perspective. The hard earned degree by the students of this Institute will be an opening door for a bright career of the students. I am sure they will perform very brilliantly various tasks assigned to them and meet all the challenges thrown in by rapidly advancing technologies and expectations of their employers.

The objective of the training and Placement cell is to conduct placement drives by inviting companies for campus recruitment for Diploma Students imparting training opportunities that serves as a base for learning new skills and achieving job positions in reputed corporate hosues subsequently.

Thus, your visit at Govt. Polytechnic, Bhagalpur will be worth a million and you will definitely find the right talent in here who can stand in every sphere of any industrial atmosphere.

## MISSION & VISION

### Mission

- To provide students with Comprehensive Knowledge of Principles of Engineering with a multidisciplinary approach.
- To Create an intellectually stimulating environment for Research, Scholarship, Creativity, Innovation and Job oriented professional activities.
- To foster relationship with other institutes of hearing and Research, Alumni and Industries in order to contribute to National Development .
- Maintaining database of the companies and Coordinating with them to learn about their requirement and recruitment procedures by establishing strategic links.

# Vision of Institute

- Become a leader in providing quality and value based education in the field of Diploma Engineering that will produce competent technocrats to meet industry requirements with societal and environmental concern.
- To contribute in nation building by placing the emerging potential talent and be recognized as one of the pioneer institute in India in field of Technical Education by opting best practices in the field.

# Courses Offered

Diploma courses in five branches of Engineering are offered by Government Polytechnic, Bhagalpur. The number of seats in various branches are as follows:-

S.No	BRANCH	Sanctioned seats	SMQ	Economically Backward
1.	CIVIL ENGG.	60	1	3
2.	AGRICULTURAL ENGG.	30	1	1
3.	TEXTILE ENGG.	30	1	2
4.	ELECTRONICS ENGG.	60	1	3
5.	COMPUTER SCIENCE & ENGG.	60	1	3
<b>TOTAL</b>		240	5	12

# Infrastructure

Our Institute have excellent infrastructure which comprises of the following:-

- Class Room
- Lab & Workshop
- Amenities – canteen
- Hostel
- Play Ground
- Library
- Administrative office & Principal's office
- Drawing Hall
- Computer Cell
- Language Lab
- Staff Room
- Facility of Remote Learning/Teaching thorough satellite (EDUSAT)
- VCS- Study material of all semesters are uploaded by concerned faculties.
- Virtual Learning by Google Classroom and Microsoft Team

# Infrastructure

**ADMIN BUILDING**

**GIRLS HOSTEL**

**Under Construction G+4 Institute Building**

**Playground**

# Infrastructure

**LIBRARY**

**WORKSHOP**

**COMPUTER SCIENCE & ENGG. LAB**

**AGRICULTURAL ENGG. LAB**

**TEXTILE ENGG. LAB**

**SURVEY LAB**

# Students' Activities

Students actively participate in extra-curricular activities like games and cultural activities:

1. Annual Games & Sports Activities

2. Yoga Activities

3. Covid-19 Awareness Activities

4. Webinars

5. Employability Skill Training

6. Orientation Program for Fresher

7. CISCO Training

8. Language Training

9. Spoken Tutorial Training

10. Kushal Yova Program (KYP)

11. Inplant Training

12. TCS- ION Digital Learning Hub Training for Communication Skill.

13. Apprentice Training

14. SWAYAM Training

15. Tree Plantation

# Students' Activities

**YOGA SESSION**

**NATIONAL SCIENCE DAY CELEBRATION**

**TREE PLANTATION ON VAN MAHOTSAV**

# Why recruit at Govt. Polytechnic, Bhagalpur?

## **Civil Engineering.**

1. Top rankers in competitive examination (BCECE Board, Patna) are admitted here.
2. An extremely strong Alumni Network especially in the Department of Civil Engineering which has brought laurels to the Institute.

## **Agricultural Engineering.**

1. G. P. Bhagalpur is the only institute in Bihar which offers Diploma in Agricultural Engineering.
2. Agricultural University is situated near the Institute.

## **Textile Engineering:**

1. Bhagalpur is famous for sericulture & silk products.
2. G. P. Bhagalpur is one among the two prestigious institutes which offers Diploma in Textile Engineering.
3. Textile hub is also located near by the Institute which provides ample learning opportunities to students.

# **Why recruit at Govt. Polytechnic, Bhagalpur?**

## **Electronics Engineering.**

1. Govt. Polytechnic, Bhagalpur is a premier institute for Electronics Branch.
2. Well furnished Electronics laboratory equipped with modern equipment to keep in sync with the latest technological advancement.

## **Computer Science & Engineering.**

1. Versatile faculties are available in computer science & Engineering.
2. Well equipped with latest software.

# Facilities for On-Campus Recruiters

1. Homogeneous environment
2. Faculty and students coordinator will be available to facilitate the recruitment process.
3. Group discussion and personal interview rooms will be provided to the recruiters.
4. If a company desires to hold online tests for the candidates, the arrangements will be made in the computer centre on prior intimation.
5. Video conferencing facility for conducting one to one interview through Skype/Google Meet/Zoom/Webex etc.

# Testimonials

- I feel very proud to be an alumni of Agricultural Engineering branch at G. P. Bhagalpur. The faculties were very supportive & encouraging.

*(Santosh Kumar, Agricultural Engineering branch  
Area Manager, BOSCH Ltd.)*

- It gives me immense pleasure to say that I could be a part of G. P. Bhagalpur family. It helped me to grow both academically as well as professionally. The college gives us ample opportunities to project our skills, technical as well as artistic.

*(Murari Prasad Singh, Civil Engg.  
JE, WRD, Govt. of Bihar)*

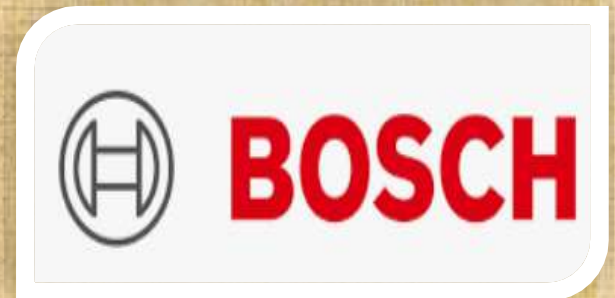

- G. P. Bhagalpur has got a very beautiful infrastructure and friendly environment, where students are excellently facilitated for their knowledge gain. Faculties are very cooperative and friendly in nature, supportive in all ways. It's a very good place to build one's career.

*(Ajit Anand, Civil Engg.  
JE, WRD, Govt. of Bihar)*

# Placement Demographic

Our Passed out Student are working in Govt. as Well as Private Organizations across India and Abroad. We conduct Campus recruitment through on campus, off Campus, and pool campus basis. Students are getting highest salary Package of 4.24 lacs/annum and average salary package is about of 2.3 lacs/annum.
